III. Background

The Department of Workforce Services (DWS) utilizes funds from Temporary Assistance for Needy Families (TANF) Block Grant awarded to states to provide the opportunity to develop and implement creative and innovative strategies to lift families out of poverty. A key area to assist families out of poverty is through helping families maintain housing and avoid or reduce the length of time in homelessness. The TANF Family Housing Program is a way to provide critical resources to families in crisis in need of housing assistance. TANF projects are required to meet one of the four TANF purposes set by Federal TANF regulations. Services provided under the TANF Family Housing Program must fall under TANF Purpose 1 and 2.

Purpose 1: Provide assistance to needy families so that children may be cared for in their own homes or in the homes of relatives.

Purpose 2: Reduce the dependence of needy parents by promoting job preparation, work and marriage.

IV. Description of Grant

A. DWS is requesting grant applications for organizations to provide TANF Family Housing services to assist eligible families in short-term crises. The TANF Family Housing Program helps families obtain stable housing through providing deposits, utility assistance, rental assistance, home mortgage payments, and back payments. A one-time, short-term crisis must be identified through an assessment. The grantee must assist the customer in creating a plan to overcome the housing crisis and remain housed after assistance ends. DWS requires all TANF Family Housing Program recipients to work with a DWS TANF Family Housing Employment Counselor to obtain and maintain employment.

B. Geographic Coverage

Applicants are encouraged to cover as many geographic jurisdictions as appropriate to support families through statewide services.

V. Minimum Requirements

A. The following are encouraged to apply: local governments, public or private not-for-profit organizations, faith-based organizations, state offices and agencies, units of local governments, and Indian Tribal governments that offer housing services.

a. Programs that have a religious affiliation will be required to provide assurances that grant funds will not be used for religious instruction.

B. Collaboration between multiple agencies/organizations is encouraged; however, a lead agency must be identified.

VI. Eligibility Determination Requirements

A. Organizations must have the ability to determine TANF Family Housing Program eligibility.

a. Grantees must serve TANF eligible families, with a dependent child under the age of 18, and determine eligibility as outlined in the TANF eligibility verification process found on the DWS Contractor

website: <https://jobs.utah.gov/services/tevs/tanfcontract.html>

*Accommodations for this requirement may be considered for Domestic Violence Shelters

b. Organizations may add additional eligibility requirements limited to attendance of financial literacy classes and good tenant workshops.

B. Organizations must coordinate with the Department of Workforce Services to provide services according to the [TANF Family Housing Employment Pathway](#).

VII. Scope of Work

The proposed Scope of Work has been attached to this Request for Grant Applications (RFGA). Applicants should review the Scope of Work before submitting their responses to the Application requirements.

GRANTEE agrees to participate in follow-up audits as requested by DWS. GRANTEE further agrees that DWS shall have the right to withhold any or all subsequent payments under this or other Agreements with GRANTEE until recoupment of overpayment is made.
 44. **UNUSED FUNDS:** Any funds paid by DWS that are not appropriately used as authorized by this Agreement must immediately be returned to DWS.
 45. **REDUCTION OF FUNDS:** The maximum amount authorized by this Agreement shall be reduced or Agreement terminated if required by federal/state law, regulation, or action or if there is significant under-utilization of funds, provided GRANTEE shall be reimbursed for all services performed in accordance with this Agreement prior to date of reduction or termination. If funds are reduced, there will be a comparable reduction in the amount of services to be given by GRANTEE. DWS will give GRANTEE thirty (30) days' notice of reduction.
 46. **PRICE REDUCTION FOR INCORRECT PRICING DATA:** If any price, including profit or fee, negotiated in connection with this Agreement, or any cost reimbursable under this Agreement was increased by any significant sum because GRANTEE furnished cost or pricing data (e.g., salary schedules, reports of prior period costs) which was not accurate, complete and current, the price or cost shall be reduced accordingly. The Agreement may be modified in writing as necessary to reflect such reduction, and amounts overpaid shall be subjected to overpayment assessments. Any action DWS may take in reference to such price reduction shall be independent of, and not be prejudicial to, DWS's right to terminate this Agreement.
 47. **FINANCIAL/COST ACCOUNTING SYSTEM:** GRANTEE agrees to maintain a financial and cost accounting system in accordance with accounting principles generally accepted in the United States of America. An entity's accounting basis determines when transactions and economic events are reflected in its financial statements. An entity may record its accounting transactions

and events on a cash basis, accrual basis, or modified accrual basis; however the cash method of accounting is not appropriate for governmental entities. GRANTEE further agrees that all program expenditures and revenues shall be supported by reasonable documentation (e.g., vouchers, invoices, receipts), which shall be stored and filed in a systematic and consistent manner. GRANTEE further agrees to retain and make available to independent auditors, State and Federal auditors, and program and grant reviewers all accounting records and supporting documentation for a minimum of six (6) years after the final payment, or until all audits initiated within the six (6) years have been completed, whichever is later. GRANTEE further agrees that, to the extent it is unable to reasonably document the disposition of monies paid under this Agreement, it is subject to an assessment for over-payment.

48. DWS COST PRINCIPLES FOR COST REIMBURSEMENT AGREEMENTS:

- a. Federal cost principles determine allowable costs in DWS grants. GRANTEE may locate the Federal Cost Principles applicable to its organization by searching the appropriate federal government websites.
- b. Compliance with Federal Cost Principles: For GRANTEE'S convenience, DWS provides Table 1 below, "Cost Principles," as a reference guide to the applicable cost principles. However, the information in this table is not exhaustive, and GRANTEE understands that it is obligated to seek independent legal or accounting advice. As shown in Table 1, "Cost Principles," the principles applicable to a particular GRANTEE depend upon GRANTEE'S legal status.

Table 1: Cost Principles

GRANTEE	Federal Cost Principles
State/Local/Indian Tribal Governments	2 CFR 200 Subpart E
College or University	
Non-Profit Organization	
For-Profit Entity	48 CFR Part 31.2

- c. Compensation for Personal Services - Additional Cost Principles:
In addition to the cost principles in the Federal circulars concerning compensation for personal services, the following cost principles also apply:
 - i. The portion of time a person devotes to a program should be disclosed in the budget as a percent of 40 hours per week.
 - ii. Employees who are compensated from one or more grants, or from programmatic functions must maintain time reports, which reflect the distribution of their activities.
 - iii. If total work time exceeds 40 hours in a week and GRANTEE wants reimbursement for the time devoted to DWS programs over 40 hours, the following two conditions must be met: 1) a perpetual time record must be maintained and 2) prior written approval must be obtained from DWS's Finance-Contracting Division
 - iv. Compensation for Personal Expenses: DWS will not reimburse GRANTEE for personal expenses. For example, spouse travel when the travel costs of the spouse is unrelated to the business activity, telecommunications and cell phones for personal uses, undocumented car allowances, payments for both actual costs of meals and payments for per diem on the same day, and business lunches (not connected with training).
- d. Third-Party Reimbursement and Program Income: GRANTEE is required to pursue reimbursement from all other sources of funding available for services performed under this Agreement. Other sources of funding include, but are not limited to, third-party reimbursements and program income. In no instance shall any combination of other sources of funding and billings to DWS be greater than "necessary and reasonable costs to perform the services" as supported by audited financial records. Collections over and above audited costs shall be refunded to DWS.

49. ADMINISTRATIVE EXPENDITURES: DWS will reimburse administrative expenses as allowed by the budget terms of this agreement. GRANTEES with a federally approved Negotiated Indirect Cost Rate Agreement (NICRA) must provide DWS with a copy of their approval letter from the federal cognizant agency along with information on the base(s) used to distribute indirect costs.

50. **CHANGES IN BUDGET (Cost Reimbursement Grants Only):** The budget attached hereto shall be the basis for payment. GRANTEE may not make any adjustment in budgeted funds from Category III, "Program Expenses" to either Category I, "Indirect Expenses" or Category II, "Direct Administrative Expenses" or between Categories I and II, without prior written approval by DWS. Expenditures in excess of those budgeted in either Category I or II may be considered questioned costs. Resolution of such questioned costs will normally result in a request that such excesses be refunded to DWS. GRANTEE may, however, shift between either Category I or II to Category III with prior approval from DWS. Expenditures in excess of those budgeted in Category III will not normally result in questioned costs unless restrictions have been placed on subcategories within this major category. When the grant restricts expenditures within defined subcategories, any unapproved excess will be considered a questioned cost.
51. **NON-FEDERAL MATCH:** For those grants requiring a non-federal match, said match shall be:
- a. Expenses which are reasonable and necessary for proper and efficient accomplishment of the Agreement program objectives.
 - b. Allowable under applicable cost principles.
 - c. Not paid by the Federal Government under another award except where authorized by Federal statute.
 - d. In accordance with the appropriate Federal grant being matched.
 - e. Invoices submitted to DWS should detail the total cost of program expenditures and should distinguish between which expenditures are match and which are requested for reimbursement.
52. **WAIVER:** A waiver of any right, power, or privilege shall not be construed as a waiver of any subsequent right, power, or privilege. The State does not waive its sovereign or governmental immunity.
53. **NOTIFICATION TO THE INTERNAL REVENUE SERVICE:** It is DWS's policy to notify the Internal Revenue Service of any known violations of IRS regulations.
54. **ORDER OF PRECEDENCE:** In the event of any conflict in the terms and conditions in this Agreement, the order of precedence shall be: (i) this Attachment A; (ii) Agreement Signature Page(s); and (iii) any other attachment listed on the Agreement Signature Page(s). Any provision attempting to limit the liability of GRANTEE or limit the rights of DWS or the State of Utah must be in writing and attached to this Agreement or it is rendered null and void.
55. **SURVIVAL OF TERMS:** Termination or expiration of this Agreement shall not extinguish or prejudice DWS's right to enforce this Agreement with respect to any default of this Agreement or of any of the following clauses: Governing Law and Venue, Laws and Regulations, Records Administration, Remedies, Indemnity, Intellectual Property, Indemnification Relating to Intellectual Property, Insurance, Public Information; Conflict of Terms; Confidentiality; and Publicity.
56. **SEVERABILITY:** The invalidity or unenforceability of any provision, term, or condition of this Agreement shall not affect the validity or enforceability of any other provision, term, or condition of this Agreement, which shall remain in full force and effect.
57. **ERRORS AND OMISSIONS:** GRANTEE shall not take advantage of any errors or omissions in this Agreement. GRANTEE must promptly notify DWS of any errors or omissions that are discovered.
58. **ENTIRE AGREEMENT:** This Agreement constitutes the entire agreement between the parties and supersedes any and all other prior and contemporaneous agreements and understandings between the parties, whether oral or written.
59. **PUBLIC CONTRACT BOYCOTT RESTRICTIONS:** In accordance with Utah Code 63G-27-102 and 63G-27-201, if applicable, GRANTEE certifies that it is not currently engaged in an "economic boycott" nor a "boycott of the State of Israel" as those terms are defined in that Code section. GRANTEE also agrees not to engage in either boycott for the duration of this Agreement. If GRANTEE does engage in such a boycott, it shall immediately provide written notification to DWS.

Attachment B
SCOPE OF WORK
TANF Family Housing

I. Background/Purpose

- A. The Department of Workforce Services (DWS) requests grant applications that will allow organizations to provide funding and support to families who are experiencing or are at-risk of experiencing homelessness in Utah.

The Department of Workforce Services (DWS) utilizes funds from Temporary Assistance for Needy Families (TANF) Block Grant awarded to states to provide the opportunity to develop and implement creative and innovative strategies to lift families out of poverty. A key area to assist families out of poverty is through helping families maintain housing and avoid or reduce the length of time they are homeless. The TANF Family Housing Program is a way to provide critical resources to families in crisis in need of housing assistance.

- B. TANF projects are required to meet one of the four TANF purposes set by Federal TANF regulations. The TANF Family Housing program supports the following two TANF purposes:

Purpose 1: Provide assistance to needy families so that children may be cared for in their own homes or in the homes of relatives.

Purpose 2: Reduce the dependence of needy parents by promoting job preparation, work and marriage.

TANF housing assistance provided to families shows the effectiveness of reducing homeless growth through employment and stable housing.¹ Evidence shows that services provided through this program minimize subsequent homelessness.² TANF Family Housing is one of the key solutions for homeless families to become self-sufficient and move out of homelessness to permanent housing. A study launched by HUD in 2008, found that families with school aged children, who are in stable, permanent housing have reduced obstacles for schooling compared to those with a homelessness situation that impacts their educational achievement.³

TANF Family Housing benefits are designed to deal with a specific crisis situation or episode of need, are not intended to meet recurrent or ongoing needs, are paid directly to a third party and are limited to no more than four months in a 12-month period.

II. Grantee Responsibilities

 - 1. Families who are currently experiencing homelessness
 - 2. Families who are at imminent risk of homelessness (e.g. have received a three-day eviction notice)

Utah Homeless Management Information System: Informed Consent Release Form

What is UHMIS?

(Agency)_____ participates in the **Utah Homeless Management Information System (UHMIS)**, an online database that collects information about persons in Utah who are experiencing homelessness, those at risk of homelessness, and those who are formerly homeless.

What type of information is asked of me?

UHMIS asks for identifying information including, but not limited to, basic demographics (i.e., Name, Date of Birth, etc.), limited health data (i.e., disabling condition), and financial information. Each question has been carefully reviewed to ensure only the minimum required information necessary is collected.

Who is it shared with?

(Agency)_____ must collect client information in UHMIS for program participation, even if the client does not sign this form. However, information is shared with other providers only **after** the client signs this consent form to release that information (providers are listed at UtahHMIS.org/Participating-Agencies). For more information on how client information is protected and shared, please refer to the [UHMIS Privacy Posting](#) (found at all HMIS data collection points) or the [UHMIS Privacy Policy](#); both are available at UtahHMIS.org/Governance.

What happens if the client refuses to sign this form?

- Clients may refuse, and they will not be denied services unless a specific funding source for those services requires client information to be shared in UHMIS.
- Clients may refuse to share their information with only one or all other providers.
- Clients may choose not to share any specific data element even after signing this consent form.
- For (Agency)_____ to serve clients with this UHMIS participating project, client information will still be entered into UHMIS and is visible by the users who work for this agency. It will also be visible to a small group of people not employed with this agency who provide security, oversight, data analysis, and research to improve services for those served by UHMIS.

When does client consent end?

Client consent will end seven years after the signature date by default; however, clients may also change their consent to share at any time. Due to the nature of UHMIS, when client consent ends, this agency will share no new information, but this agency will not remove anything already shared within the system.

Client Rights

- Clients may request this document in a format better suited for their needs and understanding.
- Clients may request to see information for themselves and their legal dependents and to change it if incorrect.

I understand the above statements and consent to the inclusion of personally identifying information in UHMIS about me and any dependents listed below and authorize information collected to be shared with other providers. I understand that my personal identifying information will not be made public and will only be used with strict confidentiality. I also understand that I may withdraw my consent at any time by submitting a [UHMIS Informed Consent Revocation Form](#), which can be provided to me by this agency. I understand that I may obtain a copy of my signed consent form from this Agency.

Attachment L Appropriate Uses of TANF Funds

Updated 3/31/22

The TANF program provides funding for a wide variety of employment and training activities, supportive services, and benefits that will enable clients to get a job, keep a job, and improve their economic circumstances. As a general rule, grantees must use the available funds to assist eligible, needy families with a child and to accomplish one of the four purposes of the TANF program:

1. Provide assistance to needy families so that children may be cared for in their own homes or in the homes of relatives.
2. Reduce the dependency of needy parents by promoting job preparation, work and marriage.
3. Prevent and reduce the incidence of out-of-wedlock pregnancies.
4. Encourage the formation and maintenance of two-parent families.

Any use of Federal TANF funds must be consistent with TANF purposes and allowable TANF rules. Any costs charged to the TANF program must be what a prudent person would consider necessary and reasonable. For more details and additional guidance, refer to Office of Management and Budget (OMB) cost principles in UNIFORM ADMINISTRATIVE REQUIREMENTS, COST PRINCIPLES, AND AUDIT REQUIREMENTS FOR FEDERAL AWARDS 2 CFR 200. SAM.gov Registration Guide

Awarded organizations under this grant will be required to have an active SAM.gov registration status and a Unique Entity ID (UEI). It is free to register and obtain a UEI through SAM.gov. These must be in place prior to the contract being executed. Because the registration process can take some time, we encourage entities to begin the process as soon as possible.

Please note that an active registration with SAM.gov does not guarantee an award with DWS.

TANF Family Housing

Category I: INDIRECT EXPENSES

This category is used if the organization has a federally approved Negotiated Indirect Cost Rate Agreement (NIRCA) or chooses a de minimis rate.

- a. NIRCA – If the organization has a federally approved rate, it must be used in Category I, unless the organization voluntarily chooses to waive indirect costs or charge less than the full indirect cost rate. A NIRCA is established on a cost base(s).
 - In the detail information, list the organization’s NIRCA and cost base(s).
 - To determine the amount, multiply the NIRCA against the established cost base(s) amount listed in Category III.

If an organization voluntarily chooses to waive indirect costs or charge less than the full indirect cost rate, please note this in the detail information area. Waving indirect costs or charging less will not influence awarding decisions.

- b. De minimis Rate - If the organization does not have a NICRA and would like to choose a de minimis rate, the organization must certified that they are making this choice. Once an organization chooses a de minimis rate, they **MUST** use this across all grants. The only way for an organization to stop using a de minimis rate once certified is to receive a NICRA. Please use caution when making this choice.

The de minimis rate can be charged at 10% of Modified Total Direct Costs (MTDC). MTDC is defined as being: All direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and up to the first \$25,000 of each subaward.

- In the detail information, indicate that de minimis has been chosen.
- To determine the amount, determine the MTDC in Category III (see the budget narrative for the eligible Category III expenses).
- Take the MTDC and times by 10%. Enter this amount in Category I.

Category II: DIRECT ADMINISTRATIVE EXPENSES

This category is used if the organization does not have NIRCA, does not choose a de minimis rate, or has administrative expenses that are not part of their NIRCA established cost base(s). If the organization allocates administrative expenses with a cost allocation plan or other basis, the direct costs from those allocations go here. Any other direct administrative expenses should be listed as well.

- In the detail information, indicate how the cost was arrived at and detail items that make up the costs.

The aggregate of total Category I Indirect Expenses and Category II Direct Administrative Expenses cannot exceed 15% of the total Expenses.

Category III: DIRECT PROGRAM EXPENSES

This category is used for the direct program expenses. Costs should be reasonable, necessary, and allowable under the grant proposal and federal regulations.

- In the detail information, indicate how the cost was arrived at and detail items that make up the costs.

Score will be assigned as follows:

- 0=Failure, no response
- 1=Poor, inadequate, fails to meet requirement
- 2=Fair, only partially responsive
- 3=Average, meets minimum requirement
- 4=Above average, exceeds minimum requirement
