INTRODUCTION AND OBJECTIVE/PURPOSE

OVERVIEW

On September 13th, 2021, the United States Department of Housing and Urban Development (HUD) released a notice outlining a specialized version of the existing HOME housing development program. This new allocation, named HOME-ARP, dedicated federal funding to States and other participating jurisdictions to perform four activities that are required to primarily benefit qualifying individuals and families who are homeless, at risk of homelessness, or in other vulnerable populations. The State of Utah received funding to award agencies to perform allowable activities under the newly created HOME-ARP program. All projects utilizing any HOME-ARP funding must comply with HUD notice CPD-21-10 and with requirements outlined in the State of Utah HOME-ARP allocation plan. Funding will be administered by the Department of Workforce Services, Office of Homeless Services (DWS-OHS).

GRANT DESCRIPTION

1. HOME-ARP funds may be used to acquire, rehabilitate, or construct Non Congregate Shelter (NCS) units to serve Qualifying Populations. Please see the HOME-ARP NCS fact sheet for additional guidance on qualifying services (<https://www.hud.gov/sites/dfiles/CPD/documents/HOME-ARP-Noncongregate-Shelter-Fact-Sheet.pdf>). Supportive service case management plans must be approved by DWS-OHS and updated on an annual basis or as requested by DWS-OHS. Supportive service plans must reflect the needs of clients being assisted and the overall needs of the community.
2. Failure to provide supportive services as outlined in the supportive service case management plan and project application during the compliance period may result in repayment of grant funds, as determined by DWS-OHS.
3. Failure to maintain supportive services and operate as a non-congregate emergency shelter for the compliance period may require repayment of funds, as determined by DWS-OHS.

POPULATION SERVED

Individuals or families that are:

1. Homeless, as defined in section 103(a) of the McKinney-Vento Homeless Assistance Act, as amended (42 U.S.C. 11302(a)) (“McKinney-Vento”);
2. At risk of homelessness, as defined in section 401 of McKinney-Vento;

3. Fleeing, or attempting to flee domestic violence, dating violence, sexual assault, stalking, or human trafficking;
4. Part of other populations where providing supportive services or assistance would prevent a family's homelessness or would serve those with the greatest risk of housing instability; or
5. Veterans and families that include a veteran family member that meet one of the criteria in 1-4 above.
