Weber	82,592	-689	3,515	10,282	13,163	8.3	2,932	1,607

Employment: Beginning of Quarter Employment Total number of workers who were employed by the same employer
in both the current and previous quarter. Note: Employment does not include Federal Government or Non-covered employers.
Net Job Flows: The difference between current and previous employment at each business.
Job Creation: The number of new jobs that are created by either new area businesses or the expansion of employment by existing firms.
New Hires: Total number of accessions that were also not employed by that employer during the previous four quarters.
Separations: Total number of workers who were employed by a business in the current quarter, but not in the subsequent quarter.
Turnover: Turnover Rate = (1/2) * (full-quarter accessions + full-quarter separations) / employment stable jobs.
